

2011 Lifest

7/22/11

Dear Nancy,

Thank you so much for your business support of the **13th Annual Lifest Music Festival**, July 6-10 in Oshkosh! Because of your belief in this amazing pro-family event, "*The Midwest's Largest and Most Diverse Christian Music Festival*" was once again a huge success. While final numbers aren't officially in yet, we are confident Lifest broke many attendance records, making this year's event our best ever. Thanks for being right there with us, for youth and for families!

As we send out our thanks, we want to remind you that proceeds from Lifest go to support the year-round ministry efforts of Life Promotions. Dollars raised through Lifest provide thousands of youth (before age <18>) with meaningful, encouraging, and motivational school assembly programs and faith-based outreaches that bring a message of hope. This past year alone Life Promotions programs reached over 550,000 youth through 400 programs across the US. Without your support of Lifest this simply would not be possible.

As we look ahead, our staff and dedicated volunteers are already planning with great anticipation the **14th Annual Lifest - July 11-15, 2012**. As we have come to rely on your support, please anticipate a contact from us in the near future in the hope of continuing this much appreciated partnership.

If you have any questions or feedback from this year, or if you would like to begin to discuss a partnership with Life Promotions for Lifest 2012, please feel free to contact me at 800-955-5433 or through e-mail at kgoller@lifepromotions.com.

Thanks again for another wonderful year!

For youth,

Kim Goller
Corporate Development Coordinator
Life Promotions, Inc.

John 10:10 I have come that they may have life, and have it to the fullest.

To see just some of the memories you helped create please enjoy the enclosed appreciation card. And for even more images, including our daily Lifest recap videos please take a moment to view the Lifest facebook page
