Dear Julie,

Thank you so much for your support of Lifest 2006! Because of your belief in this event, our eighth year of Lifest - "*The Areas Largest and Most Diverse Christian Music Festival!*" was a huge success as over 85,000 attended over the five days of Lifest. All of us at Life! Promotions, including our over 1,100 volunteers know that without you, we simply would not have been able to provide such a high quality event that continues to make a positive impact on the thousands that attend.

Lifest 06 once again has proven that a summer festival can be more than just about music and fun and that a festival can be successful without the presence of alcohol, allowing for wholesome family values to be encouraged. Lifest 2006 created an environment for all those in attendance to grow and be challenged in their faith through music, seminars, exhibitors, activities and through the interaction with the many quality individuals that volunteered and attended Lifest.

To allow you to see the "positive" Lifest experience we encourage you to take time to view the enclosed *Lifest 2006 Scrapbook DVD*. Through these Lifest photos set to music from Lifest 2006 artists, we hope you will celebrate with us the Lifest 06 theme....

"Life! Nothing More Beautiful Than This!

Once again thank you for reaching out to families and youth through Lifest 2006! We look forward to speaking to you again later this year in the hope of partnering with you once again for Lifest 2007, July 11-15!!

If you have any questions or feedback from this year or if you would like to already begin to discuss a partnership with Life!
