November 18, 2010

Dear Nancy,

Thank you so much for your support of the 20th Annual **Power of One** held on November 6, 2010 at Appleton North High School. Because of your belief in youth, the state's largest "indoor Christian youth gathering" was once again a tremendous success as over 2,000 young people from a diverse mix of Christian churches and denominations attended this year's event.

Through the many performances by artists and through diverse seminars hosted by a wide range of speakers, our young audience was challenged and encouraged in their faith and refueled with a new, focused inspiration to make a positive influence in their world.

Below are just a few of the comments we received:

- ***"God spoke to me in a way unlike ever before and it was incredible! I was overwhelmed by God's love and the power of prayer!"***
- ***"The kids were really excited after the event and want to come back next year with more of their friends"***
- ***"Our kids were really blown away by the quality of the bands and how much fun they had"***
- ***"My highlight was watching my siblings worship with the music and just opening themselves up to God in their lives and showing them how Christianity can fit into your life on a daily basis."***

All of us at Life Promotions, including the nearly 300 volunteer who gave countless hours of time to host **Power of One** know that we simply could not have been able to reach so many young lives without you. For these kids, and for the many lives they will touch in the days ahead, we are eternally grateful.

Thanks again for caring about youth through your support of **Power of One** and the ministry of Life Promotions.

For youth,

Kim Goller
Corporate Development Coordinator
Life Promotions, Inc.
