Thank you!

Dear Nancy Lamers,

On behalf of Big Brothers Big Sisters of the Fox Valley Region, I want to extend a heart-felt thank you for your commitment to making the 2011 Pizza King and Cinder's Charcoal Grill Golf for Kids' Sake so successful with your generous sponsorship of \$500. Your commitment to helping the youth in our community is sincerely appreciated.

What a success! Together, we were able to meet and exceed our fundraising goal by raising over \$15,000. Because it cost us approximately \$1,000 to match and support one child with a mentor for one year, that amount matches 15 more children on our waiting list with a caring adult mentor. We couldn't do this without support of incredible people like you!

Each year Big Brothers Big Sisters continues to advance its mission to assist youth in becoming competent, confident and caring individuals, through relationships with caring mentors. Research consistently demonstrates that Big Brothers Big Sisters one-to-one mentoring makes a huge impact on the youth of our community. Recent studies show that:

- 79% have positive development in the areas of self confidence.
- 75% have increased (and much more) ability to express their feelings.
- 52% less likely to skip school.
- 47% have a much better relationship with their family.
- More confident in their schoolwork performance

DIVERSIFIED investigations, llc- along with other organizations and individuals who gave funds throughout our Golf for Kids' Sake event- has made a significant and positive impact on the lives of children in our community.

On behalf of the Little Brothers and Little Sisters whose lives you help to impact so positively, thank you for your support of, and belief in, Big Brothers Big Sisters.

All the best,

Melissa Graber
Development Director
